Directions in Case of Fire

Get the key to the nearest box, open, pull the level all the way down once, then let go
Remain at the station, if possible, after giving an alarm, to direct the firemen to the fire
Citizens are earnestly requested to keep themselves informed as to the location of the keys
Keys at all houses near each box

Caution to Persons Holding Keys

Never open box except in case of fire
Never sound the alarm for a fire seen at a distance
Be reasonably sure there is a fire before sounding the alarm
Never let the key get out of your possession except to some responsible person to give an alarm of fire
If you remove from your home or place of business, return the key to the Engineers at once
Never sound an alarm for a brush fire

IMPORTANT

Each citizen is urged to keep informed of the location of the nearest box or station number to their premises.

IN CASE OF FIRE

Go to the nearest box, open door, pull hook way down, and let go. DON'T pull the hook a second time, if you hear the whistle by the first pull.

DON'T touch a box while the whistles are blowing. Wait a full minute of silence.

PLEASE DON'T pull a box for a woods fire, unless a building is in actual danger, but telephone the fire officials.
